Marcone News
Reports

- **Order History** = View Orders (pending, backorder, canceled, available for return), Order Summary (ability to Export to Excel), Cart Manager (main user only access to manage sub-user carts), Create and lookup REA's (return authorization forms)
- **Invoice** = View/Print multiple invoices by date range and set up automated notifications to be sent to you by fax or email
- **Account** = Create and setup sub-user access, change main user's password, create technician list (can add to line items on order), upload shopping cart, Marcone catalog and add payment methods (to pay Marcone bill)
- **Bill Pay** = apply credits and make payments to Marcone
- **Marcone News** = Marcone Facebook and MSA World
- **Reports** = Your sales, warranty and returns data by vendor for the past 42 days

Placing an Order Highlights:

Ordering by part number – hide pricing (good feature for counters), change zip code for more accurate ETA, quality pictures, and cross reference information.

The screenshot shows the Marcone website interface. At the top, there's a navigation bar with the Marcone logo, a search bar, and links for 'Shop by Category', 'Feedback', 'Hello 140118 Your Account', and a shopping cart icon. Below the navigation bar, the breadcrumb trail reads 'Home > 316439801'. The main product area features a large image of the ELEMENT-SURFACE burner, a 360-degree view, and three smaller images labeled 'Default', 'Measurement', and '360 View'. The product details section includes the name 'ELEMENT-SURFACE', a 'Hide price' link, the list price '\$26.82', the current price '\$7.93', and the savings '\$18.89 (70.43 %)'. It also indicates 'In Stock' and provides delivery information: 'Delivery to zipcode 63141 Want it Wednesday, Jan 20? Order within 22 hrs 54 mins and choose Ground at checkout.' The units sold in the past 30 days are 0. The product details section lists the make as 'WCI' and the part number as '316439801'. The product notes section states '6" SURFACE ELEMENT PLUG IN RANGE BURNER'. The cross-reference information section lists a long list of part numbers that the current part replaces. On the right side, there's a quantity selector set to 1, a reference field, and an 'Add To Cart' button. A vertical 'Express Cart' button is on the far right. At the bottom right, there's a 'GOT A QUESTION?' chat bubble.

Shipping Options – You will be given 2 options for shipping, each option will give you an ETA.

- Option 1 will give you one shipping charge. It will give you the ETA for the b/o's on the order.
- Option 2 will give you shipping options based on other RDC having the parts. In below case it gives you 4 shipments. You can choose to have them come from 4 RDC at 6.95 for each order. If you don't want 4 shipments you can select the \$0.00 (Shipping 7-10 business days). So if you just want 1 of 4 and 2 of 4 to ship right away you will select the \$0.00 shipping on 3 of 4 and 4 of 4 and will only get hit with two shipping charges.
